

THE LIQUIDITY

FUNDED TRADER

**Funded Trader Promotion
Terms And Conditions**

1. The Funded Trader is available to users of a special account type called "Funded Trader."
2. New Clients can open a new Funded Trader account and all earlier promotional benefits will be null and void if any.
3. Promotion is valid from market opening of 02.01.2024 till undefined period with below mentioned conditions.
4. Each Client can open no more than one Funded account.
5. Opening multiple Bonus accounts (including those registered for/instead of the Client's relatives, etc.) is forbidden. If the Company reasonably suspects that several accounts are managed by the same person or by persons who coordinate their actions, such accounts will be permanently blocked.
6. To get the funded trader account, a trader needs to verify his profile and open a funded trader account. The funds based upon the account equity chosen and refundable fee deposited will be credited to stage 1 account of the client.
7. The client has to reach out to the support team either by ticket or by live chat once profit target are achieved of the stage in order to receive the funded account of next stage.
8. The funded account login details will be processed within 24 working hours after the Client's refundable fee has been received by the Company.
9. Detailed Terms and conditions of the stages are as below:

Stage One - Choose (Demo Account):

- 1.1. Refundable Fee Structure: The fee corresponds to the account equity in Stage One, offering a demo account with a 10% profit target, a 10% maximum loss limit, and a daily loss cap of 5%. This fee is fully refundable upon completion.
- 1.2. Roll Over Flexibility: Day and weekend rollovers are permitted, providing traders with additional flexibility.
- 1.3. Trading Activity Requirements: Traders need a minimum of 5 trading days, with at least one trade each day. Rollover days are not counted separately.
- 1.4. Timeframe: The evaluation period spans 30 days, during which traders aim to meet the specified targets.
- 1.5. Trading Restrictions: News trading is prohibited, and adjustments to Stop Loss (SL) and Take Profit (TP) are restricted, five minutes before and after news period.
- 1.6. Hedging and Multidirectional Trades: Internal or external hedging and multidirectional trades are not allowed within this stage.
- 1.7. Leverage Increase: Leverage can be increased by depositing an additional amount equal to the refundable fee as per the account equity chosen.
 - 1:75 for FX Pairs becomes 1:150.
 - 1:50 for Metals becomes 1:100.

Stage Two – Verify (Demo Account):

- 2.1. Account Configuration: Traders receive a new account in Stage Two, mirroring the equity chosen in Stage One. The target is a 5% profit, with daily loss limited to 5% and a maximum loss set at 10%.
- 2.2. Roll Over Continuity: Similar to Stage One, traders can roll over trades during the day and over the weekend.
- 2.3. Profit Target Adjustment: The primary change is a reduced profit target of 5% compared to Stage One.
- 2.4. Trading Activity Requirements: Traders are required to engage in a minimum of 5 trading days, with at least one trade per day. Rollover days are not counted separately.
- 2.5. Timeframe: The trading period for Stage Two spans 30 days.
- 2.6. Trading Restrictions: Similar to Stage One, news trading is prohibited, and adjustments to Stop Loss (SL) and Take Profit (TP) are restricted, five minutes before and after news period.
- 2.7. Hedging and Multidirectional Trades: Internal or external hedging and multidirectional trades remain prohibited in this stage.

Stage Three – Funded Trader Account (Live Account):

- 3.1. Funded Trader Account: Traders receive a new live account with the equity chosen in the challenge stage.
 - 3.2. Performance Split: A generous 80% profit split is granted, available for withdrawal every week end.
 - 3.3. Flexible Trading Metrics: No minimum trading days or profit targets, providing traders with greater flexibility.
 - 3.4. Roll Over Restrictions: Daily and weekend rollovers are not allowed.
 - 3.5. Refundable Fee: The refundable fee is reimbursed in this stage with the first payout, contingent upon achieving a minimum profit of 5%.
 - 3.6. Unlimited Trading Period: Traders have an unlimited timeframe for trading in this stage.
 - 3.7. Trading Restrictions: News trading is prohibited, and adjustments to Stop Loss (SL) and Take Profit (TP) are restricted.
 - 3.8. Stop Out Mechanism: The stop-out triggering mechanism aligns with the levels set in Stage One.
 - 3.9. Account Lockout: If three consecutive trading days trigger the daily stop-out, the account will be temporarily locked for trading.
10. In case of a match of IP address or personal data, or other signs that accounts belong to the same person, such accounts can be blocked, and/or bonuses and profits will be cancelled.

11. The Company reserves the right to decline the Client's application for the funded account at any time without prior notice or providing any reason.
12. The Company reserves the right to change the terms of the Campaign or cancel it at any time without prior notice.
13. Clients agree that all the information provided during the registration process may be used by the Company both within the context of the funded account campaign and for other marketing purposes.
14. In case of any duplicated information in the accounts (IP addresses, devices for work etc), as well as using tools enforcing user's anonymity (VPS, proxy, VPN, networks like Tor, etc.), the company reserves the right to withhold funded account benefits and any profits gained with it, upon performing additional checks.
15. All conditions of the above promotion have to be completed within the specified period.
